GRADUATION REQUIREMENTS: Minimum cumulative GPA of at least 3.0 in all courses required for program with a maximum of six (6) hours of "C" work. The master's degree program must be completed within six years of the time of admission to the program. In the event that a student already holds a graduate degree from another institution, credits used to satisfy graduation requirements at the previous institutions will not be accepted for transfer credit to satisfy graduation requirements of the Brevard College graduate program. All requests for transfer credit, with accompanying transcripts, must be submitted at the time of admission. Students who have begun a graduate course of study at another institution may petition to transfer up to nine (9) hours graduate credit toward program of study as approved by the Program Director. Errors contained on the checklist do not release the student from meeting graduation requirements as stated in the catalog.		_
