STIPULATIONS FOR GENERAL EDUCATION REQUIREMENTS:

- With exception of Common Area B, students may not use any individual course to fulfill more than 1 area. A course is the same in the Distribution with or without the LNC designation, e.g. HIS 103 and HIS 103K.
- With exception of two courses taken to fulfill Distribution Area IA and IB, a student may use no more than two courses (3-4 s.h. each) with same course prefix to meet the General Education Distribution requirements.
- To fulfill Area IIID on basis of experience, a student must normally: A. receive approval in advance for intent to use the experience in satisfaction of a distribution requirement (if student wishes to receive academic credit, prior approval must include registration for an independent study or other approved course; B. participate in an experience of 2 weeks duration or longer, and C. document the experience through journal and presentation given upon return. Note: Experiential certification is normally given only for work done at the college level, and thus is restricted to post-high school experience.
- All students must take ENG 111 or ENG 111H with the exception of those students who enter Brevard College with credit for ENG 112 or ENG 112H. In such cases, a waiver, but no academic credit, will be earned for Area I.A.

NOTE: Experiential certification is normally given only for work done at the college level, and this is restricted to post-high school experiences.

GRADUATION REQUIREMENTS:

- Minimum 124 semester hours
- Minimum cumulative GPA of at least 2.0 in all coursework at Brevard and minimum cumulative GPA of at least 2.0 in all courses required for major. Some majors may have more stringent requirements (see major requirements in catalog)
- Complete a minimum of 32 semester hours at Brevard and complete 50% of major requirements at Brevard.
- Errors contained on the checklist do not release the student from meeting graduation requirements as stated in the catalog
