

Teaching Assistantship Registration Form (279, 379, 479)

Teaching Assistantship (1-2 credits)

Teaching assistantships provide students the opportunity to participate in multiple aspects of teaching in a classroom or laboratory environment, receiving close mentoring from their supervising faculty members and in turn serving as mentors for other students. Teaching assistants participate in activities such as class or lab preparation, teaching, and grading. Each hour of academic credit for a teaching assistantship entails 45 hours of documented work (generally 3 – 4 hours per week).

Prerequisites: by invitation only; normally students will be of junior/senior standing and will have taken in a prior semester the course(s) for which they are serving as teaching assistants. No more than 4 credits toward graduation may be earned in 279, 379, 479 assistantships.
