***No student will be required to take 3 exams on the same day. It is the student's responsibility to speak with the instructors involved and to request moving one of the exams to a time convenient for both the student and the instructor. Such alternate arrangements should be finalized no later than Monday, April 26.**

***Students cannot use travel arrangements as justification for requesting exam time changes.**

*Courses in physical education give their final exams during the last week of classes. Fine Arts courses which use juries, performances, or projects in lieu of a final exam are not required to schedule additional testing during the final exam week. **All other courses will meet at the scheduled exam time to conduct final testing or to accomplish some other meaningful educational activity.**

*Classes which meet more than 3 hours per week and, therefore, use more than one class time will take the final exams during the **exam time for the first scheduled class period of the week, e.g., Monday class.**

*Exams for classes which do not occur during one of the regular class times designated above should be scheduled at the time period most similar.

*Faculty should not schedule an exam (studio or other) for a group of students in a time slot that has been set aside for another class time. Doing so places a burden on other faculty for rescheduling.

Any exceptions to the above schedule and policies must be approved by the appropriate Division Chair and the Vice President for Academic Affairs.
