**** Unduplicated Count:** This is a head count. If an individual participates on more than one team, that individual is counted only once for this count.

TABLE 3 – Head Coaches

These two tables list the number of head coach assigned to each men’s team and each women’s team, whether that coach is a male or female, whether that coach is assigned to that team on a full-time or part-time basis, and whether that coach is a full-time employee of the institution. The table includes paid coaches, volunteer coaches, interns, and graduate assistant coaches. For purposes of this report, the term “Full Time Coaching Duties” means the individual’s employment responsibilities at the institution are exclusively those as coach of that team and are consistent with institution’s definition of a full-time employee. For the purposes of this report, the term “Full-Time Institution Employee” means the individual’s overall employment responsibilities at the institution are consistent with the institution’s definition of a full-time employee.
