Brevard College Student Handbook Welcome

Congratulations on your decision to attend Brevard College. The decision to attend Brevard College is one that will open your minds to ideas, perspectives and possibilities in ways that can only happen in an environment such as Brevard College. It is our belief that your involvement in campus life is an essential part of your college experience, an integral part of the start of a lifelong journey of exploration, seeking knowledge and transformation. We want to partner with you to create an environment, where you will discover who you are and what your passions are. Our goal is for you to leave Brevard College a different person than when you arrived. The opportunities will be available and the choice to take full advantage of those opportunities is yours.

The decision to attend Brevard College was the first step to your future. The decision to become completely immersed is what will determine your personal experience. Take advantage of the opportunities that will expand your creative, intellectual, and social actions. These are the things that will assist you in discovering your place in the world and your ability to effect change by becoming an active citizen.

In this handbook you will find information that will assist you during your journey at BC as a student. You will find the many policies and community standards which we have developed to ensure a safe, secure, cohesive community free from distractions that will prevent you from achieving your goals. It is important to become familiar with these guidelines as you may find yourself in a situation of great responsibility and can help others be more aware of what their actions can do to the community we are striving to build.

On behalf of Campus Life at BC, I wish you the best this year in your pursuits and encourage you find ways for you to Step in and Stand Out.
